

# Common Human Resource Information Standards

## Member Permanent Military Unit Departure Date

Member Permanent Military Unit Departure Date is the calendar date on which a DoD Military Service member departs from duty en route to a new permanent assignment.

### Permitted Values

NA

### Structural Business Rules

A calendar date must have a day, a month, and a year including century (i.e., YYYYMMDD).

A Member Permanent Military Unit Departure Date must have an associated Member Duty Status of "Transient Time between Assignments" and a Member Duty Status Effective Date-Time.

A Member Permanent Military Unit Identifier must have only one associated Member Permanent Military Unit Departure Date upon completion of the permanent assignment.
